

7" Big Mouth Clean Sweep

Speed up your cleanup
with our light weight
7" urethane hose
and our new **7" Big Mouth!**

Features

- Comes with 7.5" wheels to give greater clearance.
- Extended riser for clean floor on the first pass.
- Special DF-7 swivel ball bearing coupler on the urethane hose (also available in DF-6 & DF-5).
- 7" x 15' urethane hose rated to 15hg—no more shrinkage! (Also available in 6" and 5".)

A Walinga 7614 Agri-Vac connected
to a Big Mouth Clean Sweep.
Fastest cleanup speed, lightest cleanup kit,
fully adjustable reach, equals
happy farmer and happy truckers.
Win! Win!
